IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF OHIO EASTERN DIVISION

ALAN D. BRIGNER,

Petitioner,

CASE NO. 2:17-CV-1045
JUDGE JAMES L. GRAHAM
Magistrate Judge Kimberly A. Jolson

v.

WARDEN, CHILLICOTHE CORRECTIONAL INSTITUTION,

Respondent.

REPORT AND RECOMMENDATION

On December 1, 2017, Petitioner, a state prisoner, submitted a petition for a writ of habeas corpus under 28 U.S.C. § 2254. (ECF No. 1.) On December 5, 2017, this Court issued an Order noting that Petitioner had failed to submit the full filing fee or an application seeking to proceed *in forma pauperis* under 28 U.S.C. § 1915(a). (ECF No. 2.) Consequently, this Court ordered Petitioner to either pay the \$5.00 filing fee or file a proper motion to proceed *in forma pauperis* within thirty (30) days of the date of that Order. (*Id.*) The Court additionally indicated that "[f]ailure to do so [would] result in recommended dismissal of this action for want of prosecution." (*Id.*)

More than 30 days have passed, and Petitioner has not paid the filing fees or moved to proceed *in forma pauperis*. Accordingly, it is **RECOMMENDED** that this action be **DISMISSED without prejudice** for want of prosecution pursuant to Rule 41(b) of the Federal Rules of Civil Procedure. *Gravitt v. Tyszkiewicz*, 14 F. App'x 348, 349 (6th Cir. 2001) (finding that district court did not abuse its discretion when it dismissed habeas petition for want of prosecution under Rule 41(b); petitioner failed to pay filing fees or seek pauper status after being expressly warned that failure to do so might result in dismissal.)

Procedure on Objections

If any party objects to this Report and Recommendation, that party may, within fourteen

days of the date of this Report, file and serve on all parties written objections to those specific

proposed findings or recommendations to which objection is made, together with supporting

authority for the objection(s). A judge of this Court shall make a de novo determination of those

portions of the report or specified proposed findings or recommendations to which objection is

made. Upon proper objections, a judge of this Court may accept, reject, or modify, in whole or in

part, the findings or recommendations made herein, may receive further evidence or may

recommit this matter to the magistrate judge with instructions. 28 U.S.C. 636(B)(1).

The parties are specifically advised that failure to object to the Report and

Recommendation will result in a waiver of the right to have the district judge review the Report

and Recommendation de novo, and also operates as a waiver of the right to appeal the decision of

the District Court adopting the Report and Recommendation. See Thomas v. Arn, 474 U.S. 140

(1985); United States v. Walters, 638 F.2d 947 (6th Cir. 1981).

IT IS SO ORDERED.

Date: January 16, 2018
